STUDENT ACHIEVEMENT DISCLOSURE FOR THE PUBLIC

DEAC accredited institutions offer a broad array of instructional programs and student support services to meet varied educational and professional goals of a highly diverse student population. Institutions determine appropriate performance criteria to measure the success of their students in achieving their goals in the context of the institution's specific mission and scope. You will find below (1) a summary of how this institution measures student achievement in the context of the institution's mission and educational programs, and (2) student achievement metrics which the institution believes best reflect student and program performance. For more information about DEAC standards and requirements, please visit www.deac.org.

Summary of Institution Mission and Student Achievement

The mission of Vine University is to equip Christian leaders for intercultural ministry through theological higher education. Vine University currently offers two graduate programs for Christian leaders who are engaged in the practice of ministry in intercultural contexts: Master of Arts in Intercultural Studies-Missiology and Doctor of Intercultural Studies-Missiology.

Aggregated Institutional Data on Student Achievement

Graduation rates, the percentage of graduates who completed their degrees within a typical timeframe (150 percent) of the minimum time required for the degree, for MAICS and DICS in 2020 were 68% and 62% respectively.

Placement rates, the percentage of graduates who were employed upon graduation in the field for which they were trained, were 100% in 2020 for both MAICS and DICS.
